(b) Special arrangement for supply of drinking water in the rural areas where famine conditions are prevailing, are made by the State Governments.

(c) The State Governments have approached the Central Government for allocation of additional funds. Funds of the order of Rs. 155.43 crores for 1986-87 and Rs. 19.49 crores for 1987-88 have been approved so far for rural drinking water.

Central and State Farms

431. SHRI VIRENDRA VERMA: Will the Minister of AGRICULTURE be pleased to state:

(a) the total area of each of the Central and State Farms in the country;

(b) the actual area under cultivation in respect of these farms;

(c) the main crops and yield per acre of these farms;

(d) the existing irrigation method available with these farms;

(e) the number of tractors actually in working condition as against the total number of tractors in each of these farms; and

(f) what is the actual expenditure incurred on each of these farms during the last three years year-wise and the income derived therefrom?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) to (f) The information is being collected and will be laid on the Table of the Sabha.

Urban Estates planned under National Capital Region

432. SHRI PAWAN KUMAR BANSAL: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) what is estimated approximate number of migrants to Delhi every year;

(b) what is the effect of step initiated under the National Capital Region Act to check the flow of people to Delhi; and

(c) what is the number of new Urban Estates planned for the period upto 1990 and people expected to be housed in different states falling within the National Capital Region?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) According to 1981 census, the number of 1971-81 was of the order of 12.3 lakhs migrants to Delhi during the decade. Thus, the annual average number of in-migrants to Delhi could be estimated to be about 1.23 lakhs.

(b) The National Capital Region Planning Board has prepared an Interim Development Plan—2001 which envisages a package of policy measures relating to all development aspects, for a decelerated rate of growth of Delhi, moderate growth of Delhi Metropolitan Area and induced growth of towns selected for priority development in the Region. The induced development of priority towns is expected to attract potential Delhi-bound migrants, thus reducing the pressure of population growth in Delhi. It is premature to quantify at this stage the effect of the measure initiated under the Interim Development Plan.

(c) Under the NCR concept, the intentions is to develop on, priority basis, certain identified towns, and not Urban Estates, in the Region to achieve the NCR objectives. The 8 identified priority towns complexes are Meerut, Hapur, Bulandshahr-Khurja, Panipat, Rohtak, Rewari-Bhiwadi Dharuhera, Palwal and Alwar. According to the Interim Development Plan-2001, the package of measures proposed is expected to produce an impact in the decade 1991-2001 onwards and it is anticipated that no perceptible effect might be noticed till 1990. The population assigned for 2001 A.D. for each
